

SEGURA
Attorneys at Law

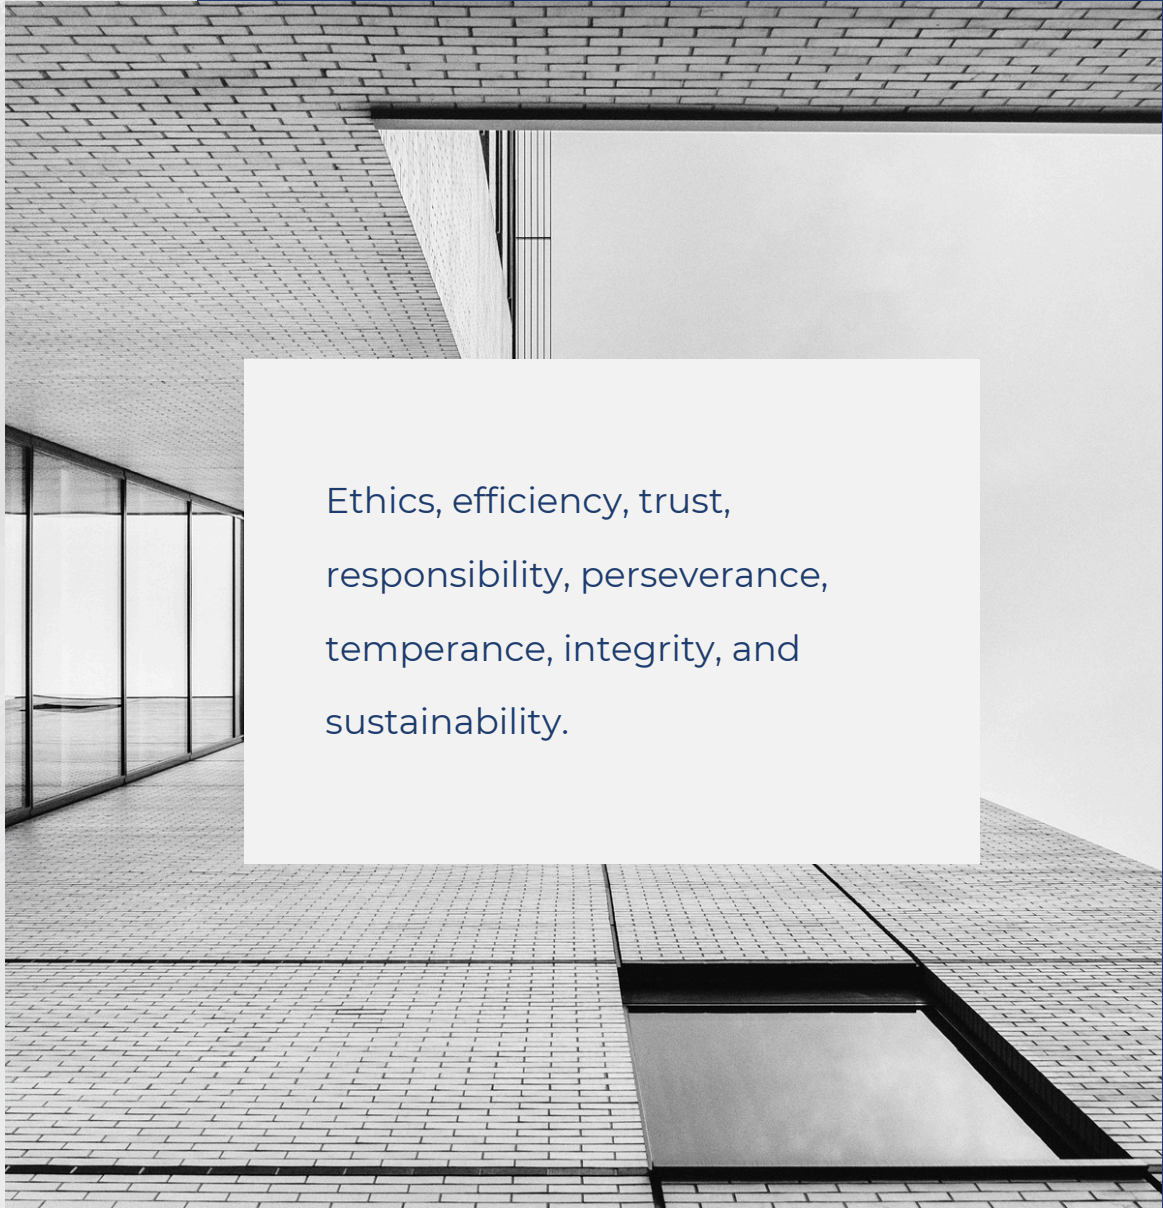

About Us

We are a law firm committed to providing legal solutions through effective strategies that drive the sustainable economic growth of our clients. Our innovative team of professionals delivers high-quality legal advisory services, always aligned with cutting-edge trends and versatile solutions, rooted in strong ethical and professional values.

Our primary mission is to create synergies that enhance our clients' competitive advantages by offering specialized guidance and support from start to finish. We follow a structured process of comprehensive and efficient legal assistance, incorporating strategy development, work plans, action coordination, and continuous monitoring of results.

Our Values

Ethics, efficiency, trust,
responsibility, perseverance,
temperance, integrity, and
sustainability.

Practice Areas

BUSINESS AND CORPORATE LAW

The Segura Team offers services in the field of corporate business law, adding value to the business development and, consequently, the economic growth of our clients.

ENERGY LAW

Segura Abogados provides comprehensive advisory services in energy generation, transmission, and commercialization, specializing in PPA contracts, financing, and the management of renewable energy projects.

REAL ESTATE LAW

Segura Abogados offers consulting and comprehensive assistance in the acquisition and sale of real estate, covering strategy, planning, coordination, and effective follow-up on all necessary procedures for each transaction.

REGULATED SECTORS

Segura provides specialized advisory services in regulated sectors, including energy, fuel, water, among others, focusing on the benefits, implications, and regulations of Dominican legislation.

COMMERCIAL LAW

Segura provides comprehensive advisory services in the most important areas of commercial law practice.

INDUSTRIAL PROPERTY LAW

Segura provides guidance on the registration of various forms and aspects of industrial property. This includes representation and assistance in the registration of trademarks, patents, slogans, trade names, signs, emblems, and industrial designs.

BANKING AND FINANCIAL LAW

Segura provides banking and financial advisory services for key operations in the international market. We offer coverage on legal and regulatory aspects of the sector.

ADMINISTRATIVE LAW

Segura offers services in administrative matters, collaborating and adding value to business interactions between individuals, companies, and various centralized and decentralized entities of the Public Administration.

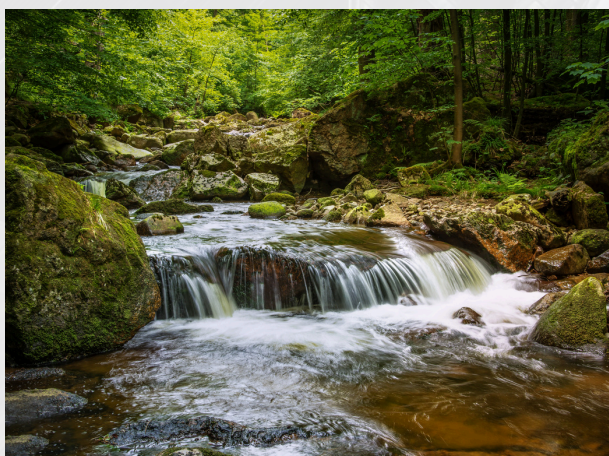

LABOR LAW

Our team provides legal services in this field, including consulting, contract drafting, assistance, and representation before the relevant institutions of the Public Administration.

TAX LAW

Segura provides high-quality advisory services in national and international tax matters, maintaining a strategic alliance with auditing firms.

ENVIRONMENTAL LAW

In the environmental sector, Segura specializes in providing consulting services, managing permits, licenses, and authorizations in compliance with the environmental regulations of the Dominican Republic.

At **SEGURA**, we have a highly skilled and innovative team committed to quality, efficiency, dedication, responsibility, and a deep culture of sustainability. These attributes ensure the reliability and peace of mind our clients need when using our services. Our systematic organization and alignment of objectives provide an added sense of security for our clients.

Our Team

We have a multilingual team of jurists with vast experience and a strategic vision that drives them to seek solutions for a wide range of legal matters.

Our Clients

Memberships

At **SEGURA**, we believe in the importance of relationships to provide our clients with a comprehensive and effective service. As part of our strategic partnerships, we are members of the **International Association of Lawyers**, the **Association Internationale of Young Lawyers (AIJA)**, and the **Energy Bar Association**. Through this strategic alliance, we expand our network of international legal advisors.

In addition to our international partnerships, we are members of several national trade associations, including:

Santo Domingo
